OLD BUSINESS

Lights at Deer Run-Eric Patty offered to pay for lighting along with some other residents. Ivan spoke with OK Electric about work with the lighting. Solar lights? OK Electric will give us an estimate.

ZONING

A couple of new permits came in over the last few days. The one I mentioned about an accessory building on County Road 16, that is a pole barn. I had him move it back a little further to meet the setbacks. This will be the only building on this parcel. He owns two parcels side by side.

The conditional use permit for the building on State Route 108 is progressing. Luke Jones Fulton County Prosecutor stated this was the route to go. Nancy informed me last night that this has to go before the zoning appeals board for approval. Nancy is getting everything around for that. I am notifying the building owner.
